

Bald Eagle Day

March 7, 2015

10 a.m. – 3 p.m.

FREE Program

On Saturday, March 7, Ferryville Tourism Council will host the 5th Annual Bald Eagle Day and once again, Friends of Pool 9 is a co-sponsor. Ferryville Community Center and Fire Dept. is the location and the program promises to be as informative, fun and interesting as ever. Plan to be with us.

The features include live bird programs at noon and repeated at 2 p.m. Both include “Lois the Owl”. We are told Lois went on a diet and now is slim enough to fly. For those not at the 2014 program, Lois simply sat on her perch and watched us. She had gained weight and so was just not in the mood to lift herself to fly around the room.

The popular Hooting Contest for all ages is back at 1 p.m. so start practicing your best owl calls. Of course, children will be working with Dr. Michael White at 1:30 p.m. to build a life sized eagle nest. Middle School Eagle Art and projects will be on display and craft projects for youth will be ongoing. The Eagle and Owl treats will amaze you once again.

Photo artist Larry Knutson will be with us too with prints to purchase and prints to look at. In addition, Chloris Lowe provides a wonderful program about the importance of the Bald Eagle to the Ho Chunk Nation. More details about the activities and presentations are near finalizing so check out our website for details and updates.
