FERRYVILLE EAGLE DAY - March 5, 2022

Eagle Day is Saturday, March 5, 2022 from 9:30 a.m. – 3 p.m. held at the Ferryville Community Center at 170 Pine Street, Ferryville, WI. The event is sponsored by Ferryville Tourism Council and Friends of Pool 9. 2022 is our 13th year for this event and it is a family-friendly activity on a day that helps get people outdoors to see eagles and also to join us to learn more about protecting eagles and learning new things.

The program features the University of Minnesota Raptor Center Eagles and 3 other birds. This program is offered at 10:30 a.m. and 1:30 p.m. Eagle Nest Building, Hooting contest and other program details are in process.

MASKS ARE RECOMMENDED as a protection for attendees and presenters. Social Distancing and other safety practices are planned. Seating at each program will be limited to support this. Watch Facebook posts and www.visitferryville.com for more information.

Bring your binoculars because eagles are very active at this time due to mating and nest building. Maps that show many eagle nests in the area will be available. These are nests that can be scene from Hwy 35. Ferryville businesses offer food and drink specials for the day which makes eating at a local pub even more fun and enjoyable.
