FERRYVILLE FARMERS MARKET 2022

The Ferryville Farmers Market is off to a great start this year with the wonderful support from our customers and our variety of great vendors. As the season progresses, lots of great produce is becoming available each week. We have some special events returning this year including River Bluff Daze, The Spudmobile and Fall Fest.

Our vendors have donated some great items to our ongoing raffle so be sure to stop down and pick up some raffle tickets. Our drawing is October 22nd which is also Vendor Appreciation Day, be sure to stop down that day and thank our vendors!

River Bluff Daze is July 23rd and we will be having music by Tim Bohankamp and a brat fry in the park for Farmers Market. Be sure to stop over after watching the tractor pull and come back later that evening for the fire works put on by Cheapo Depot at dusk.

The Spudmobile will be at the farmers market on August 13th. The Wisconsin Potato and Vegetable Growers have an extremely informative interactive exhibit with so much information, history, interactive games and so much more in their mobile exhibit. It is truly fun for the whole family!

Fall Fest will be September 17th. Fall Fest is always so much fun with many vendors, both seasonal and new providing a great variety of items. We will have music in the park by Tim Bohankamp and a brat fry as well. This is always a very busy and fun event!
