Wow! Nice Snowflakes!

The good news is that Ferryville now has 14 snowflake ornaments. However, 5 of those have warm white lights and those will be changed out to cool white so all snowflakes look alike. A work group will get together this spring to get that done.

7 more Snowflakes are needed to complete the replacement project. Thank you everyone who has contributed to this project.

**You can help.** Donations are still needed. The goal is to order the last 7 snowflakes by the end of Feb., 2012 to take advantage of the 40% discount. (We got a special deal!) One six foot snowflake costs \$475 with the discount. Donations can be made to: Ferryville Vision & Promotion
