RIVER BLUFF DAZE HIKE

Ferryville, Wisconsin is the place to be on Saturday, July 27 when the entire community celebrates River Bluff Daze. One of the special activities is the hike on Sugar Creek Bluff. Please plan to meet at 8:30 AM at the little pavilion at the Ferryville Boat Landing for treats and instructions. We will carpool to the trailhead for a one and a half mile gradual hike at the natural area. The hike will include viewing the summer wild flowers, listening for birds, and enjoying the beauty of this special piece of property that the Mississippi Valley Conservancy maintains. The view from the end of the trail is spectacular! You will have plenty of time after the hike to visit the Market, watch the Tractor Pull, and enjoy your time in Ferryville.

2019 CHAUTAUQUA SUMMER SERIES

The Ferryville Tourism Council is once again sponsoring the Chautauqua Summer Series of interesting evening talks at the Ferryville Village Hall at 6:30 pm.

The second program will be Wednesday, July 10 and the presenter will be Eric Carson. Eric is a geologist with the Wisconsin Geological and Natural History Survey. He is based in Madison, but he studies the Driftless Region of southwest Wisconsin. Bob O'Connor

Our third and final talk will be on Wednesday, August 14 again at 6:30 pm at the Village Hall. Bob O'Connor will be our presenter. Bob is returning for his third season as one of our speakers. His topic will be West Point teacher Dennis Hart Mahan, who taught engineering at the military academy for 41 years. During that time, he taught over 900 cadets including 450 men who became generals for both the Union and the Confederacy during the Civil War. Bob is the author of 15 books including 9 historical fiction, 5 non-fiction, and a children's book. All are about the Civil War. Treats will be available at these events. We will look forward to seeing you at both!
